

### **God appears to Moses**

One day, Moses is taking care of sheep in the mountains. He sees a thorn bush that has caught fire but is not burning up. This is a sign from God. Moses goes closer to the bush and hears God's voice.

"Go to the pharaoh and say to him: 'Set the Israelites free!' I will lead you to a good country flowing with milk and honey." Moses is afraid to do this, but God gives him courage. So he returns to Egypt.
